-

EXPERIENCE

2020-present

Sky Academy Music Organization

Flutist, Pianist

- Hundreds of students from around the world participate in Sky Academy's Ramadan program on YouTube every year.
 - I uploaded my piano and flute performances as part of this program's music component.

Summer 2022

A Modular Multilayer Framework for Real-Time Hyperspectral Image Segmentation at AUM

Assistant Researcher, Volunteer

- The project identifies various regions within a hyperspectral automatically image by classifying each image pixel and associating them to class segments.
 - Assisted with preparing the hyperspectral imaging system to take sky images.
 - Used a software called Spectron to analyze and break down the color segment in these images.
 - Worked with Professor Randy Russell and Professor Olcay Kursun at Auburn University at Montgomery

2022-2023

Montgomery Youth Orchestra

Flutist, 3rd Chair

- MYO is comprised of approximately 70 talented young musicians across the state of Alabama.
 - I got in the third position out of eleven other flutists.
 - Attended weekly to prepare for two concerts each season at Montgomery Performing Arts Center.

2022-2023

Borderless Coders Organization

Social Media Manager, Supervisor

- Borderless Coders is a non-profit organization for international students who wants to learn how to code
 - In this organization, I worked with post designers, planned the social media platforms agenda, and kept track of our social media platforms; Instagram, Twitter, Facebook, and Youtube.
 - Kept track of the weekly meetings, presentation, and goals.

PROJECTS

2023

Music Player Game

Link: <https://t.ly/x3iEa>

- This app was coded with JavaScript, CSS, and HTML on Visual Studio Code.
- The user should be able to click on the play button to listen to the song.

2021

Music Composer

Link: <https://shorturl.at/ovNW9>

- One out of ten of my compositions.
- The very first song I have composed back in ninth grade.

2022

Take Care of My Cat Game

Link: <https://shorturl.at/oOPV4>

- This app was coded with JavaScript only on code.org.
- The user can click the forward and back buttons to see the output. There is a hangman game at the end.
